

BLUE FIN SWIM SCHOOL

**Today is my swimming day.
I go to Blue Fin Swim School
in Port Melbourne.**

**I pack my towel, bathers and goggles into
my swimming bag.**

**When we get to the pool I
say 'HELLO' to the people at
the reception desk.**

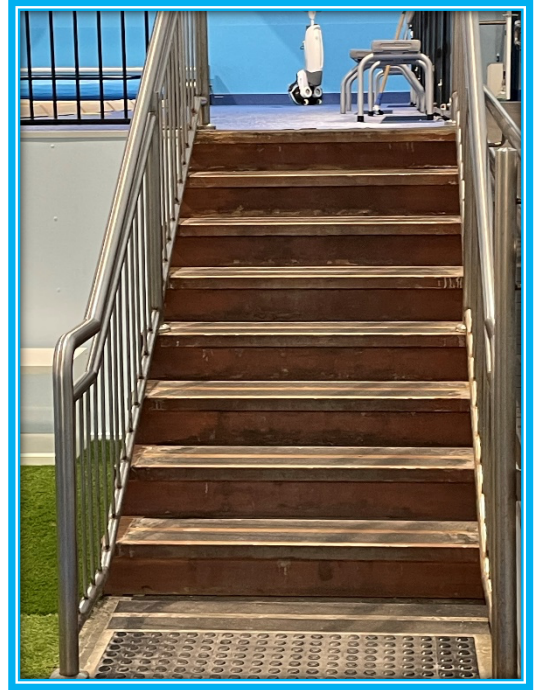

Then I put on my bathers and goggles.

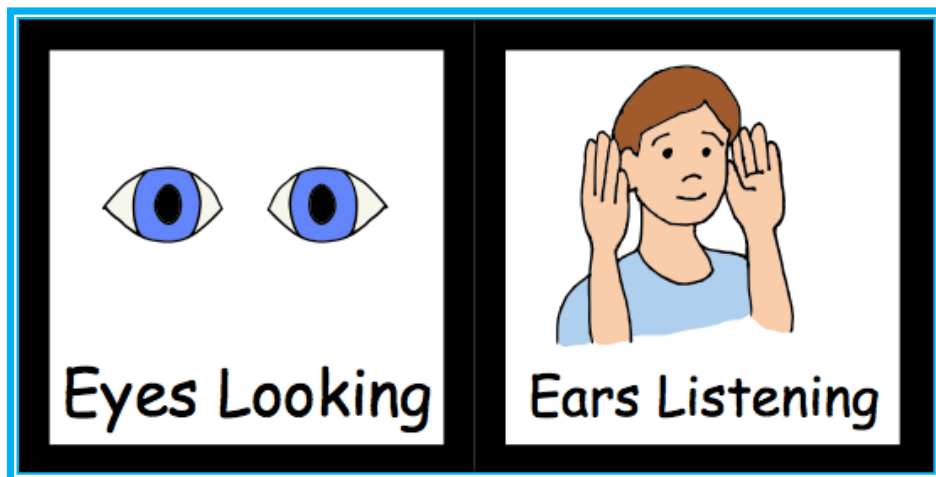

I'm ready for my lesson!

**I walk up the stairs and wait
until the teacher asks me to get
into the water.**

**At swimming I use my best listening to keep me safe
and to help me learn.**

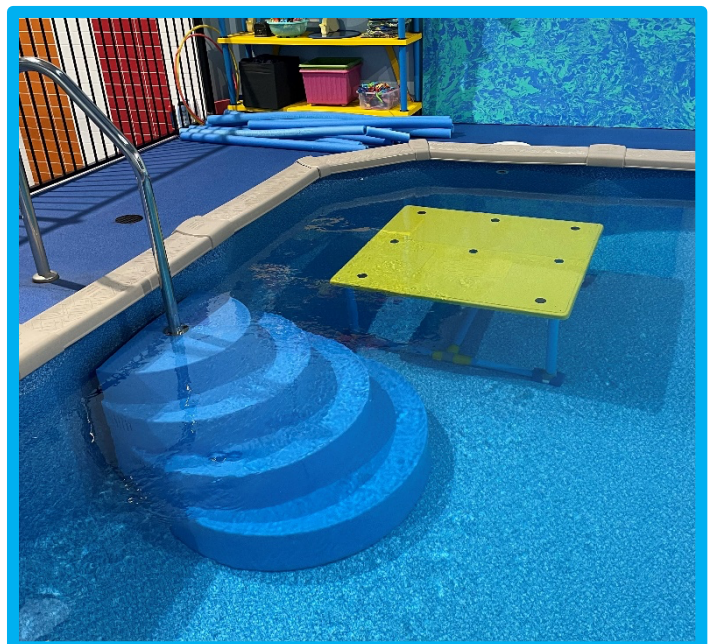

I use my walking legs to keep me safe.

We don't run near the pool.

When I'm in the nice warm water I stay on the yellow platform or stairs until the teacher says it's my turn.

This keeps me safe.

A photograph of a colorful play area. The top shelf holds several long, colorful foam tubes in red, orange, yellow, and blue. Below this, the middle shelf is filled with various toys: a red plastic cup, a green plastic cup, a stack of blue plastic cups, a red plastic cup, a green plastic cup, a basket of colorful rings, a basket of colorful rings, a basket of colorful rings, and a basket of colorful rings. The bottom shelf features a black plastic bin, a pink plastic bin, and a clear plastic bin filled with colorful rings. The background is a plain white wall.

Swimming is fun at Blue Fin!

**When my lesson is
finished,
I get out of the pool.
I have a shower, then
get dressed.**

I say 'Good Bye' to the pool and teachers until next time.

I love swimming at Blue Fin
